I. Introduction

The Teachers' Retirement System of the State of Illinois (the System or TRS) is requesting proposals to provide website design services. The objective of this Request for Proposal is to solicit competitive proposals from qualified vendors in sufficient detail to permit objective evaluation of all proposals which may result in a contract to assist TRS in a website redesign project.

TRS is committed to increasing racial, ethnic, and gender diversity in all aspects of its utilization of vendors to provide goods and services to the System, to the greatest extent feasible, and within the bounds of financial and fiduciary prudence. To that end, the System strongly encourages qualified minority, female, disabled, and veteran-owned vendors to submit proposals to this RFP.

A proposer's preparation and submittal of a proposal or subsequent participation in presentations or contract negotiations creates no obligation on the System to award a contract or to pay any associated costs. All proposals and related materials will be retained by the System and will be subject to disclosure as required in accordance with the Illinois Freedom of Information Act.

II. Summary Description of TRS

The General Assembly created the Teachers' Retirement System of the State of Illinois (TRS or the System) in 1939. TRS administers a multiple-employer public pension plan to provide its members with retirement, disability, and death benefits. Membership is mandatory for all full-time, part-time, and substitute Illinois public school personnel employed outside the city of Chicago in positions requiring certification by the Illinois State Board of Education. Persons employed at certain state agencies relating to education are also TRS members. The System serves over 400,000 members and had over \$45.6 billion in assets held in trust for its membership as of June 30, 2016.

The retirement system is administered as a qualified plan under the Internal Revenue Code. TRS benefits and investments are governed by Articles 1, 16, and 20 of the Illinois Pension Code, 40 ILCS 5. Funding comes from member contributions, contributions by TRS-covered employers, the state of Illinois, and investment income. The System's most recent Comprehensive Annual Financial Report as well as a variety of other information about TRS is available on the TRS Web site at trs.illinois.gov.

A thirteen-member Board of Trustees (the Board) is responsible for the general administration of the System, including the duties granted to it under Article 16 of the Illinois Pension Code, 40 ILCS 5/16. Under the direction of the Executive Director employed by the Board, the day-to-day administration of the System is delegated to the System's staff.

III. Services Required

The System is seeking proposals to assist in redesigning the System's website. As part of a comprehensive communications strategy project completed in early 2016, it was determined that the public facing TRS website is in need of a redesign. The new website will be visually fresh,

have simple navigation and organization with site responsive design. Specifically, members have requested the new site to be “purpose driven.” TRS members (retirees, Tier I members, Tier II members) need a website that is core navigation organized by member status with sub-navigation to help TRS members accomplish various tasks when they visit the website. The most recent website redesign was completed in 2012. Complete communications audit research findings and website analytics will be shared with the selected firm. Detailed specifications for this project are included in Appendix B of this RFP.

The project is anticipated to begin upon execution of a written agreement with the System and conclude no later than June 30, 2017. The successful proposer will be required to provide a written timeline to the System prior to commencement of the project.

IV. Pre-Proposal Questions and Conference Call

All questions about this RFP must be submitted in writing by letter or email (no phone calls) on or before November 28, 2016 to Alice Kern at the following email address: akern@trs.illinois.gov. A Pre-RFP Response Conference Call is scheduled for December 2, 2016 at 10:00 a.m. (CST). The purpose of this conference call will be to address pre-submitted vendor questions. Responses to these vendor questions will be posted on the TRS website immediately after the Pre-RFP Response Conference Call. To participate in the call, provide your contact information to Alice Kern at akern@trs.illiois.gov prior to December 2, 2016 to receive detailed conference call information.

V. Proposal Content

At a minimum, the proposal must include the following information to be considered for the engagement. For ease of review, each requirement should be addressed in a separate section preceded by an index tab to identify the subject of the section. The proposal should be formatted on consecutively numbered pages and include a table of contents. Failure to provide information in the prescribed format may result in rejection of the proposal. All responses will be subject to verification for accuracy. **Proposals containing false or misleading information will be rejected.**

A. Cover Letter

A cover letter, which will be considered an integral part of the proposal package, in the form of a standard business letter, must be signed by an individual authorized to bind the proposer contractually. This cover letter must indicate the signer is so authorized, and must indicate the signer’s title or position. An unsigned proposal will be rejected. The cover letter must also include:

1. A statement that the proposal meets all requirements of this RFP, and that the offer tendered by the proposal will remain in full force and effect until, and may be accepted by the Teachers’ Retirement System of the State of Illinois, at any time prior to January 31, 2017.

2. A statement certifying that the proposer either: (a) it is not required to register or (b) it is registered as a business entity with the State Board of Elections pursuant to the Procurement Code, 30 ILCS 500/20-160 and acknowledges a continuing duty to update such registration pursuant to the Procurement Code; and that proposer acknowledges that any Agreement awarded as a result of this RFP is voidable under Section 50-60 of the Procurement Code if the proposer fails to comply with the business entity registration requirements of 30 ILCS 500/20-160; 30 ILCS 500/50-60.
3. A statement that the proposal is being made without fraud or collusion; that the proposer has not offered or received any finder's fees, inducements, or any other form of remuneration, monetary or non-monetary, from any individual or entity; and that the proposer has not conferred or promised to confer, on any individual or entity, any payment, loan, advance, services, or any other form of remuneration in connection with the award of this engagement.
4. A disclosure of any current business relationship or any current negotiations for prospective business with TRS, or with any member of the Board of Trustees or TRS staff, or any party currently rendering services to TRS. Provide a statement explaining why such relationships do not constitute a conflict of interest.
5. **A statement that the proposer is willing to enter into an agreement in the form attached to the RFP as Appendix E including all certifications and representations contained therein, and that the proposer acknowledges and understands that certain general provisions in the sample agreement mandated by Illinois state law to be included in contracts with agencies of the State of Illinois are not subject to negotiation.**
6. A statement that the proposer acknowledges that all documents submitted in response to this RFP will be subject to disclosure under the Illinois Freedom of Information Act, 5 ILCS 140, and the Illinois Open Meetings Act, 5 ILCS 120.
7. An attestation by the signer that the information provided in the Proposal is true and accurate, and that the signer is aware that pursuant to the Illinois Pension Code, 40 ILCS 5/1-135, any person who knowingly makes any false statement or falsifies or permits to be falsified any record of a retirement system or pension fund created under this Code (i.e., the System) in an attempt to defraud the retirement system or pension fund is guilty of a Class 3 felony.

B. Fee Proposal

Proposers must submit their fee proposal in the format prescribed in Appendix D. Any deviation from the prescribed format which in the opinion of TRS is material may result in the rejection of the proposal. The proposed fee shall include all expenses for providing the services as described in this RFP, including any web redesign changes after prototype testing of the new website is complete.

The fee proposal must expressly state that the proposed fixed fee is guaranteed for the term of any resulting contract.

C. Contract

This Request for Proposal is neither a contract nor meant to serve as a contract.

It is anticipated that one of the proposals submitted in response to this Request for Proposal may be selected as the basis for negotiation of a contract with the proposer. Such a contract is presently contemplated to contain, at a minimum, the terms and conditions set forth in the sample agreement included as Appendix E, but will also incorporate the terms of the proposal submitted, as finally negotiated and approved by the System. TRS reserves the right to negotiate additions, deletions, or modifications to the sample agreement and/or the terms of proposals submitted.

Certain provisions in the sample agreement are required by the State of Illinois and are therefore not subject to negotiation. **Thus it is critically important that vendors submitting proposals clearly and thoroughly identify any and all contractual concerns in their written proposal.** A proposer that waits until contract negotiation to object to TRS contract terms may be precluded from further consideration.

VI. Submission of Proposals

All proposals must be received at the address designated below **no later than 2:00 P.M. CST on December 9, 2016.** Submit five (5) hard copies of your proposal and one (1) copy on CD-ROM in a sealed package to:

Alice Kern, Administrative Services Manager
Teachers' Retirement System of the State of Illinois
2815 West Washington Street
Springfield, IL 62702

All hard copies must be submitted in one or more sealed envelope/package(s). One of the hard copies must be marked as the "Master Copy" and submitted in a loose-leaf, three-ringed binder which displays the proposer's name on the outside front cover. **Do not submit the Master Copy with spiral binding.**

Clearly identify the outside of each sealed proposal package with the proposer's name and return address in the upper left hand corner and the statement "**SEALED PROPOSAL- DO NOT OPEN** - Response to Request for Proposals – Website Redesign Services, Issued November 14, 2016." Failure to clearly identify the outside of the proposal package may result in the rejection of the proposal. TRS is not responsible for receipt of any proposal which is improperly labeled.

TRS accepts no responsibility for lost and/or late delivery of proposals. Whether mailed, hand-delivered, or delivered by carrier, the proposer is responsible for timely delivery on or before the above date and time. **Proposals that arrive late for any reason whatsoever, including mail**

delay or any other cause beyond the control of the proposer, will not be considered and will be returned unopened.

Except as specifically requested by TRS, submission of proposals or any portion thereof via facsimile transmission, electronic, or magnetic media will not be allowed.

The proposals become the property of TRS upon submission. All costs for developing proposals and attending presentations and/or interviews are entirely the responsibility of the proposer and shall not be chargeable to TRS.

Only one proposal from an individual, vendor, partnership, corporation, or combination thereof, will be considered for this assignment.

VII. Evaluation Process

A. Pre-Evaluation Review

Each proposal package will be date-stamped when received. Each proposal package will be inspected to ascertain that it is properly sealed and labeled. Proposals not passing this inspection may not be accepted. All proposals will be reviewed to determine if they contain all the required submittals specified in this RFP. Those not submitting all required information in the prescribed format will be rejected.

B. Proposal Evaluation

Proposals that pass the pre-evaluation review will undergo an evaluation process conducted by TRS staff. TRS will consider the following various elements in the decision process, ranked in no specific order, and will render a decision based on the perceived best value for the engagement. Cost will be one of the determining factors in this decision but will not be the primary determinative. Proposals will be evaluated based on criteria including:

- Understanding of the services requested
- Soundness of the approach and quality of the proposed services
- Proposed deliverables
- Cost

During the evaluation process, proposers may be requested to provide additional information and/or clarify contents of their proposal. Other than information requested by TRS, no proposer will be allowed to alter the proposal or add new information after the filing date.

IX. General Conditions

A. Clarification of the RFP

To maintain the integrity of the RFP process, interested proposers are expected to respond to this RFP to the best of their understanding. Proposers must not contact TRS staff about this RFP. If a proposer discovers an error in this RFP, the proposer should immediately notify TRS of such error in writing to Alice Kern at the following email address: akern@trs.illinois.gov. If deemed necessary or appropriate in the System’s discretion, TRS may clarify or modify any part of this RFP by posting notice on the TRS website prior to the proposal deadline.

Questions about this RFP are generally discouraged and should be submitted only if the proposer deems necessary after full and careful reading of this RFP. Questions must be submitted in writing (no phone calls) **on or before November 28, 2016** to Alice Kern at the following email address: akern@trs.illinois.gov. The System will not respond individually to a submitted question. If a response is deemed necessary or appropriate in the System’s discretion, the System will post an answer along with the question submitted (without identifying the proposer) on the System’s website at the same place as this RFP. Proposers are responsible for monitoring the TRS website.

B. Restrictions on Communication

Proposers must not discuss or share the contents of their proposals with other potential proposers. TRS policy and the Illinois state ethics law strictly limit communication during the search process. **Any attempt to initiate contact with TRS staff or TRS Trustees, other than as specifically stated in this RFP, may disqualify the proposer from further consideration.**

C. Prior Deficiencies

A proposer that is or has been deficient in current or recent contract performance in dealing with TRS or other clients may be disqualified unless the deficiency is shown to have been beyond the reasonable control of the proposer. TRS may reject a proposal from any proposer

that is in default on any debt owed to, or contract with, TRS or other clients, or that is in default as surety or otherwise, upon any obligation to TRS, or has failed to perform faithfully any previous contract with TRS. Proposers that are newly formed business concerns having substantially the same owners, officers, directors, or beneficiaries as a previously existing non-responsible proposer may be disqualified unless the new organization can prove it was not set up for the purpose of avoiding an earlier declaration of non-responsibility.

D. Reservation of Rights

TRS reserves the right to withdraw this RFP, to accept or reject any or all proposals submitted, and to waive any immaterial deviation, defect, or irregularity, whenever it would be in the best interest of TRS to do so. Waiver of an immaterial deviation shall in no way modify the Request for Proposal or excuse a proposer from full compliance with all RFP requirements. Proposals that contain false or misleading statements or that provide references which do not support an attribute or condition claimed by the proposer will be rejected. Issuance of the Request for Proposal creates no obligation to award a contract or to pay any costs incurred in the preparation of a proposal. Nothing in this RFP or any resulting contract shall preclude TRS from procuring services similar to those described herein from other sources.

E. No Confidentiality

Proposals and all materials submitted in response to this RFP cannot be considered confidential except as provided below. All proposals and related materials will be retained by TRS and will be subject to disclosure as required in accordance with the Illinois Freedom of Information Act, 5 ILCS 140. Simply marking all or portions of the proposal as “Proprietary” or “Confidential” will not protect it from disclosure in the event that a public record request is received. If a proposer is submitting proprietary information or strategies with the proposal, the proposer should submit, along with the un-redacted proposal, a redacted copy that removes only that material considered to be a trade secret, competitively sensitive, proprietary, privileged, or confidential such that disclosure would cause competitive harm to the proposer.

F. Equal Opportunity

TRS does not discriminate because of race, color, religion, creed, sex, sexual orientation, age, marital status, military status, certain unfavorable discharges from military service, political affiliation, citizenship, ancestry, national origin, physical or mental handicap or disability or any other characteristic protected by law. It is the System’s intent to comply with all state, federal, and local equal employment and opportunity laws and public policies.

G. Reference Checks

Reference checks may be conducted for each finalist. Please provide reference authorization letter in the format prescribed in Appendix C.

employees of the System and amounts paid pursuant to this Agreement do not constitute compensation paid to an employee of the System. Such three-year period shall be extended for the duration of any audit in progress at the time of that period's expiration. Such books and records shall be available for review or audit by the Illinois Auditor General, other governmental entities with monitoring authority, and the System, upon reasonable notice and during normal business hours. Contractor and its subcontractors shall cooperate fully with any such review or audit. Failure to maintain such books and records shall establish a presumption in favor of the System for the recovery of any funds paid by the System under this Agreement for which adequate books and records are not available. Contractor shall not impose a charge or pass on fees or costs for review or audit of such books and records. Contractor shall take reasonable steps to ensure that its subcontractors are in compliance with this provision.

Subcontracting and Assignment:

- a) This Agreement may not be assigned or transferred in whole or in part without a written amendment duly executed by both parties.
- b) If Contractor intends to utilize one or more subcontractors in performance of this Agreement, Contractor shall provide prior written notice to the System identifying the

names and addresses of all such subcontractors to be utilized by Contractor in the performance of this Agreement, together with a description of the work to be performed by the subcontractor and the anticipated amount of money that each subcontractor will receive from Contractor for such work. This Agreement shall apply to and bind all subcontractors utilized by Contractor in the performance of this Agreement as fully and completely as Contractor is hereby bound and obligated. For purposes of this section, subcontractors are those specifically hired to perform all or part of the work or to provide equipment or supplies covered by the Agreement.

Termination:

- a) This Agreement may be terminated at any time by the mutual consent of the System and Contractor.
- b) Either party may, without the consent of the other party, terminate this Agreement upon 30 days' prior written notice to the other party.
- c) Notwithstanding any contrary provision in this Agreement, this Agreement may be terminated at the option of the System whenever the System determines that such termination is in its best interests, upon 30 days' prior written notice to Contractor.
- d) Upon notice of termination, Contractor shall cease work under this Agreement except work that TRS directs in writing to be completed, and take all necessary or appropriate steps to limit disbursements and minimize costs, and cooperate in good faith with TRS during the transition period between notification of termination and substitution of any replacement contractor. Contractor shall be entitled to payment for satisfactory supplies, equipment and/or services provided under the Agreement. In the event the System and Contractor cannot agree to the amount of payment due Contractor, Contractor will receive a percentage of payment provided under the Agreement equal to the percentage of work completed prior to termination of the Agreement. Contractor shall immediately return to TRS any payments for supplies, equipment, or services that were not rendered by Contractor.
- e) Termination of this Agreement shall not relieve either party of any obligations hereunder which were incurred prior to the date upon which the termination is effective.

Use and Ownership: All work performed or created by Contractor under this Agreement, whether written documents or data, goods, or deliverables of any kind, shall be deemed work-for-hire under copyright law and all intellectual property and other laws, and the System is granted sole and exclusive ownership to all such work, unless otherwise agreed to herein. Contractor hereby assigns to the System all right, title, and interest in and to any such work including any related intellectual property rights, and/or waives any and all claims that Contractor may have to such work including the so-called "moral rights" in connection with the work. Confidential data or information contained in such work shall be subject to all confidentiality provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the date first above written.
